					Feed speed lm/min	Feed speed lm/min
20 mm	1650	1450	1350	1200	0,7	0,4

Suggestions/Suggerimenti:

- Entering and exiting, reduce the feed speed of -30%.
- In entrata ed uscita, ridurre la velocità di passata del -30%
- Perform straight and miter cut in a single step.
- Eseguire il taglio dritto ed inclinato in passata unica.
